

Socialization

Healthy experiences in new learning

Life is a big adventure ready to explore. Take time in early puppyhood to safely share new things and experiences with your puppy.

People Learn	Dog Learn
<p>“Socialization”</p> <p>Healthy and safe exposure to new experiences and things that include people, places, animals, textures, scents, sounds, movement, and activities.</p>	<p>“It’s OK” “Check it Out” “Do it”</p> <p>Dogs build confidence and learn in playful fun and by exploring (sniffing, listening, chewing, licking, biting, seeing, moving and touching).</p>

The Basics

100 Days of Fun & New

- Introduce your pup to new people of all ages, sizes and skin colors, beards, hats, movements and hair styles.
- Use tiny treats and calm love to help your pup safely explore new experiences.
- Protect your puppy from harm.
- If your puppy shows fear show your puppy something he or she already likes and provide a happy distance
- Sounds, scents, movements are all new too!

Everywhere!

Puppy Play Rules

*When a new puppy arrives in our **FREE Puppy Play***

1. Go to your puppy and take collar with **“Gotcha”** and collar grab then treat.
2. Pick up or hold your puppy as the new puppy arrives in class.
3. Allow new puppy to explore the room while you pet your puppy.
4. Trainer will release pups to play one at a time to not overwhelm the new puppy.

When leaving Puppy Play

Leash or carry your puppy out of the room. Take turns.

Store Scavenger Hunt

Enjoy an in-store adventure.

1. Use a flat collar with six foot lead or harness.
2. Let puppy explore the store.
3. If your puppy piddles we have clean up gear!

Areas we’ve found that interest a puppy:

- Smelling the dog food and treats.
- Watching the yellow, black, white or blue fish.
- Toy aisle to pick a new toy.
- Sniffing the cat & bird area.
- Picking out a few bulk treats, bag and purchase a few.
